As *field trips* are right around the corner, please remember all chaperones must have completed *Shield the Vulnerable* training, there are no exceptions. As stated in our handbook, all PreK students must have a chaperone. Anyone working with our students, such as our Robotics coaches, Artist in Residency, CAD-3D Printing coaches and our drone coaches have all completed the training.

**Interims** were sent to all students this term. In the future, please be sure to keep checking grades so you are aware of your child’s progress. If tuition payments or extended care payments are past due, your account will be turned off and you will not be able to access grades. We would like to go paperless for interims considering you are able to view online. If you would like to continue receiving a hard copy, please let me know. (Teachers will be in touch if your child is in danger of failing.)

It has been requested for **Spirit Days** to include pink clothing for breast cancer awareness, therefore for the remaining Fridays in October, students will be allowed to wear appropriate pink clothing.

**ART** request ~ If you have any of the following items, please send to school for Ms. Freed: shoe boxes, marker caps, small smooth rocks, clean foam trays from vegetables ~ ~ ~ Thank you!

Mr. Ball’s Wednesday Wellness Tip ~ Fruits

- Fruit is very important for a healthy diet
- Fruits contain high amounts of micronutrients and fiber just like vegetables
- Fruits contain many vitamins and minerals that aren’t found in vegetables or any other type of food

*Enjoy your evening – Peace to all!*
